From our observation point, we may see smoke billow from the cone as the thermal waters are heated and expelled by the volcano. Upon returning to the hotel, relax in the springs before enjoying an included dinner. Among the inhabitants that can be easily seen are sloths, iguanas, agoutis, armadillos, raccoons, coatis and the adorable squirrel monkey. East African Safari Adventure

Observe the natural beauty of Lake Nakuru National Park

Enjoy a bush lunch at Serengeti National Park

During the drive, a picnic lunch will take place. The world famous Serengeti National Park covers an area of 5700 square miles, is Tanzania's oldest park, and one of the world's last great wildlife refuges. The Serengeti ecosystem supports the greatest remaining concentration of plains game in Africa, including more than 2,500 lions and over one million wildebeests. Arriving at your Serengeti lodge, check-in and enjoy an included dinner. **Meals: B, L, D**

DAY 7 – Serengeti National Park

After breakfast, depart with picnic lunch boxes for a full day of game-viewing drives on the Serengeti plains. 'Serengeti' is derived from a word meaning 'the place where the land runs on forever,' and the vast national park remains true to its name. Aside from being spoiled by the variety of wildlife and bird species of the Serengeti, its landscape is stunningly beautiful, especially in the early morning and late evening light. Elephant, buffalo, lion, rhino, zebra, giraffe and others may be spotted during your Serengeti adventure. An early morning optional excursion, Balloon Safari at Dawn, prior to the included game drive, may be available (weather permitting). **Meals: B, L, D**

DAY 8 – Serengeti National Park to Ngorongoro Conservation Area

After breakfast, depart for the Ngorongoro Conservation Area with a stop at the Olduvai Gorge en-route. As one of the most important prehistoric sites in the world, a resident guide will provide an interpretation of the gorge. Lunch will be provided after checking in to the lodge on the rim of Ngorongoro Crater which has the largest unbroken caldera in the world and has been described as one of the great natural wonders of the world.

Almost every species of African plains mammal lives in the crater, including the endangered Black rhino. This afternoon, relax and enjoy the breathtaking views from the lodge before tonight's dinner. **Meals: B, L, D**

DAY 9 – Ngorongoro Conservation Area

Today's adventure is a descent into the crater, in the game-drive vehicles, for a full day of game viewing. A photogenic paradise, an abundance of resident wildlife freely roams the plains of the crater floor while hundreds of bird species refresh in the small lakes. Unmatched for its natural variety and breathtaking beauty, there are few places on earth where such a tremendous diversity of landscapes exist in an area of this size. The crater is also of great archaeological importance with the remains of some of mankind's earliest ancestors discovered in the area. Return to your lodge late afternoon with time to relax before dinner. **Meals: B, L, D**

DAY 10 – Ngorongoro Conservation Area to Tarangire National Park

After breakfast, depart for Tarangire National Park, arriving at your lodge in time for lunch. An exciting game viewing drive takes place this afternoon. Herds of elephants scratch the dry bed of the Tarangire River searching for underground streams, while migratory wildebeest, zebra, buffalo, impala, gazelle, hartebeest and eland crowd the shrinking lagoons. It's the greatest concentration of wildlife outside the Serengeti ecosystem - a smorgasbord for predators – and the one place in Tanzania where dry-country antelope, such as the stately Fringe-eared oryx and peculiar Long-necked gerenuk, are regularly observed. **Meals: B, L, D**

Immerse yourself in the culture of the locals

Ngorongoro Sopa Lodge overlooks the expansive crater

DAY 11 – Tarangire National Park to Amboseli National Park

Enjoy an early morning breakfast before departing via the Namanga border to Amboseli National Park where you check in to the lodge and enjoy lunch. With over 400 species of birds, flora and fauna, it's also a bird-lovers paradise. This evening, enjoy dinner at the lodge. **Meals:** B, L, D

DAY 12 – Amboseli National Park

A morning and afternoon game viewing drive are in store for today. Amboseli National Park offers some of the most breathtaking views in Africa and is one of the best places for a photogenic view of Mount Kilimanjaro (weather permitting). Famous for its large herds of giant elephants, the park provides the classic Hollywood image of Africa. **Meals: B, L, D**

DAY 13 – Amboseli National Park to Nairobi

Your African Safari Adventure comes to an end as you depart for Nairobi, taking with you memories and photographs of the special moments and unforgettable experiences. Lunch is included before arriving at the Jomo Kenyatta International Airport for your flight home. **Meals: B, L**
