South Africa Highlights and Safari

Cape Town, located in the shadow of Table Mountain

Native wildlife await your visit on Boulders Beach

DAY 1 Depart the USA: Depart the USA on your overnight flight to Cape Town, South Africa's oldest city.

DAY 2 Cape Town, South Africa: Welcome to Africa – a land as diverse as its scenery and people. Upon arrival, you'll be met by a representative of Mayflower Cruises & Tours and transferred to your hotel. The remainder of the day is at leisure to begin getting acquainted with the unique culture of South Africa.

DAY 3 Cape Town: Enjoy a full-day tour with a local guide as you discover its monuments, learn about the history of the city and see the sites from its historical beginnings to the modern waterfront area. Visit Cape Town's most iconic destination... Table Mountain. Ascend to the summit via the aerial cableway and be rewarded with stunning views of the surrounding oceans and city below. Returning to ground level, drive through the Bo-Kaap neighborhood, filled with charming narrow cobblestone streets lined with colorful houses, to get a feel for the local culture. During a visit to the 17th-century Cape Castle Good Hope you'll discover the oldest existing colonial building in South Africa. Hear about the evils of its storied past and how it transformed into a symbol of hope and reconciliation. End the day at Signal Hill where outstanding views of the Atlantic Seaboard and the city's coastline await. Return to the hotel for an evening at leisure. **Meal: B**

DAY 4 Cape Peninsula: While visiting the famous Cape of Good Hope, discover the rich biodiversity of life - both flora and fauna. Travel along the Atlantic Seaboard to Hout Bay, a quaint village and fishing harbor with magnificent mountain views and beaches. Continue the journey along Chapman's Peak for breathtaking coastal views of jagged mountains surrounding

the harbor. Arriving at Cape Point Nature Reserve, you are officially at the South-westernmost point of Africa. It's here where famous shipwrecks throughout history have left their skeletons. A ride on the Flying Dutchman funicular brings you to the peak of Cape Point for the best views of the area. Travel to historic Simon's Town, a village with charming Victorian architecture and home to Boulders Beach where you won't find a better combination of beach and wildlife. Hundreds of the endangered African (Jackass) penguins waddle freely on their white sand beach and are happy to pose for the camera! Before returning to Cape Town, visit Kirstenbosch National Botanical Gardens which include five of South Africa's six biomes and is renowned for the beauty and diversity of the Cape flora it displays. This evening, dinner is included at Gold Restaurant. **Meals: B, D**

DAY 5 Stellenbosch and Franschhoek: The full day excursion into the wine country will take you to Stellenbosch, the country's second oldest town, where your winelands adventure begins. Stroll along the streets, lined with Oak trees, where Cape Dutch architecture, wine shops, cafés and art galleries can be found. Enjoy the first wine experience with a wine and cheese tasting on a country estate in the heart of the Cape Winelands, surrounded by majestic mountains. Continue to the nearby village of Franschhoek, located in a breathtaking valley, showcasing more of the area's scenic treasures. You'll be treated to a wine and chocolate tasting at a wine estate in this charming village. After a beautiful day in the picturesque wine country, having sampled its local flavors, return to the hotel in Cape Town for an evening at leisure. **Meal: B**
