Greetings!

In 2019, join us as we Celebrate 40 years of Life Enriching Experiences! Since 1979, Mayflower has been creating exciting holidays throughout North America and the World and this year is no exception. In February of 2018, Mayflower became a part of the Scenic Group, a river and ocean cruising company known for their high quality cruising throughout the world. As a part of the Scenic travel family, you can expect the same great guided holidays in addition to expanded river and ocean cruising opportunities. This year we will introduce 13 new holidays, including a special 40th Anniversary Celebration, Alaska Cruise for our travelers to partake in.

Each of the guided holidays within this book has been created specifically with our travelers in mind. Our tour development team pours over the details of each itinerary and are constantly looking at ways to create and enhance each tour. With that in mind, we will be introducing personal audio headsets for our travelers on most of our North America touring opportunities. We have had great success with this technology on our World and River Cruising Holidays and we know that our North America travelers will love the added feature! For more information about your personal audio headset, see page 6 for details.

So whether you are looking for adventure in The Last Frontier, a National Parks experience or a special event outing, we invite you to experience North America The Mayflower Way and celebrate 40 years of guided holidays with us!

Happy Travels,

Ride the Alaska Railroad's *Coastal Classic* train for a journey to Seward

In Anchorage, visit the Alaska Native Heritage Center featuring interactive displays and exhibits. Explore the rich cultural history of Anchorage through guides in traditional dress who perform activities such as basketry, dance, boat making and beadwork in their lakeside village. Tonight, celebrate Mayflower's 40th Anniversary at a special reception and dinner with your Mayflower Executive Staff. **Meals: B, D**

DAY 5 – Alaska Railroad and Alaska Sealife Center

Be up early today to board the Alaska Railroad's *Coastal Classic* train for the journey to Seward. The track winds along Turna-

gain Arm and through the backcountry wilderness of the Kenai Peninsula. Northern boreal forests, sparkling salmon streams, massive glaciers and towering waterfalls create a dramatic landscape. Arriving in Seward, visit the Alaska Sealife Center, the state's only public aquarium and ocean wildlife rescue center. Later, board your ship, the *Norwegian Jewel* to begin the unforgettable cruise portion of the tour. **Meals: B, D**

DAY 6 – Prince William Sound and Hubbard Glacier

With its 3,000 miles of shoreline, Prince William Sound is one of the most scenic archipelagoes of tidewater glaciers in the world. Keep one eye on the shoreline while cruising, as you just may spot otters, seals, bears, eagles and deer. From almost anywhere on the ship you will be able to view Hubbard Glacier, a massive 1,350-square mile natural wonder of blue ice. It is the longest river of ice in North America and one of the most active glaciers of its kind in Alaska. **Meals: B, L, D**

DAY 7 – Icy Strait Point

The Icy Strait Point experience combines authentic regional culture with incredible natural beauty. Located near the city of Hoonah, the largest Tlingit Indian settlement in Alaska, Icy Strait Point sits next to Glacier Bay National Park. Mount McKinley in Denali National Park

DAY 8 – Juneau and Sawyer Glacier

Your port of call this morning is the Alaskan Capital of Juneau, considered by many to be the most beautiful capital city in the nation. The terrain is hilly and winding, and narrow streets present a small-town quaintness existing side-by-side with cosmopolitan sophistication. **Meals: B, L, D**

DAY 9 – Skagway and the Lynn Canal

As your ship approaches Skagway, see the town resting peacefully at the base of a river valley bordered by the Coast Mountains. When gold was discovered in the Klondike region of the Yukon Territory, it resulted in the historic Gold Rush of 1898. As thousands of gold-crazed adventurers sought the best jumping-off spot for their trek, they found the deepest penetration by boat was at the northern tip of the Lynn Canal. This is how Skagway was born. **Meals: B, L, D**

DAY 10 – Ketchikan

By using Mayflower's air services, you accept that Mayflower is only acting as your agent and is not responsible for any accident, death, personal injury, illness, property damage, delay or other monetary loss or expense of any nature that may arise directly or indirectly out of any act of God, or any actions or default of any carrier. Mayflower is not liable for, and does not assume responsibility or accept claims with regards to any losses incurred due to cancellation of flights or change in flight schedule resulting in additional expenses to you, even when the air services are purchased through Mayflower.

Tour Price Includes: All motorcoach transportation noted in the tour itinerary, round trip airport transfers on the tour departure and return dates (only), services of the Tour Manager and driver, lodging, sightseeing, taxes, admissions, gratuities for bellmen and waiters for included meals, as well as future travel credits. Due to airline security measures, your photo I.D. or passport must match your airline ticket name and your tour reservation name or you may be denied aircraft boarding.

Expiry date of passports should be at least six months after the return date of tour. If you don't have a passport, call our office and we'll tell you how to apply for one. Holders of non-U.S. passports should contact their nearest consulate and inquire about the necessary passport or visa documentation required for entry into the countries visited.

Travelers Protection Plan

Our Travelers Protection Plan consists of a Cancellation Fee Waiver combined with Travel Insurance Benefits.

PART A - CANCELLATION FEE WAIVER (CFW)

Should you have to cancel your tour or interrupt your tour en route, we have added a non-refundable Travelers Protection Plan (TPP) in our deposit schedule. If you do not wish to purchase this protection, simply deduct the amount from your deposit. This non-refundable fee waives all cancellation fees and penalties, provided we are notified of the cancellation one day before your tour departs. While on tour, if a passenger must leave early due to a personal illness, illness or death of a member of the immediate family, the purchase of the Travelers Protection Plan (TPP) guarantees full refund for any unused services (including purchased optional excursions) after the departure of the tour. Handling of return air transportation is included if your airline tickets were provided by Mayflower Cruises & Tours. *Exception: If you purchased non-refundable airline tickets from Mayflower Tours, the TPP does not provide a refund for the airline tickets in the event of a cancellation or a return transportation benefit if you must return home early. You will only be charged the TPP premium for the land tour instead of the premium for land tour with air.
