

Cruise with Confidence

Our commitment to your health & safety

Whilst the world may have changed, our commitment to our guest and crew's health and safety remains our key priority.

Pre-Departure

- All guests and crew must be fully vaccinated with approved dose(s) against COVID-19, at least 14 days prior
 - 2 doses of Comirnaty (Pfizer)
 - 2 doses of Spikevax (Moderna)
 - 2 doses of Vaxzevria (AstraZeneca)
 - 1 dose of Janssen (Johnson & Johnson)
- Carry and present confirmation of vaccination
- Provide a negative RT-PCR test result for COVID-19, taken within 72 hours of departure (own expense)
- Check with your airline on any update to protocols or boarding requirements
- Travel safe – wear a mask, wash hands, or use hand sanitiser and social distance
- Complete a Scenic Health Questionnaire and Medical Form

There may be further entry requirements from the countries visited on your voyage. Please ensure you monitor government travel advisories for the latest information on restrictions.

Scenic is not liable for COVID-19 and other pandemic related issues such as quarantines, delays, lockdowns, repatriation expenses, loss of touring, loss of inclusions, border closings or location entry requirements or restrictions, etc. We strongly recommend guests obtain travel insurance to cover such costs and risks as well as any others resulting from Force Majeure Events.
