Antarctica, South Georgia & Falkland Islands

Day 01 Depart the USA

Depart the USA on your flight to Buenos Aires, Argentina.

Day 02 Buenos Aires, Argentina

Welcome to Buenos Aires, where you'll have an overnight hotel stay. Perhaps plan to spend some time in the city, nicknamed the 'Paris of South America'. Resplendent with Belle Epoque buildings, sidewalk cafes and green spaces, there's the fiery passion of Latin America – a collective love for football, flame-cooked meats (asado) and the tango.

Day 03 Buenos Aires > Ushuaia

Fly from Buenos Aires to Ushuaia, the main island of Tierra del Fuego and the southernmost city in the world. The Captain and crew will warmly greet you as you board your ultra-luxury Discovery Yacht, Scenic Eclipse.

Toast the start of your once-in-a-lifetime expedition as you depart South America and cruise through the calm and scenic Beagle Channel, named so for the ship that carried Charles Darwin on his five-year discovery journey. *Meals: B.L.D.*

Day 04 At sea

Wake up in your own time as we cruise across the Drake Passage, the infamous waterway that connects South America to Antarctica. Today, join an introductory presentation about your polar expedition by the Polar Discovery Team in the state-of-the-art theatre. Feel the excitement building as they explain how your Zodiac and other Discovery Excursions will work in the coming days. The theatre is where you can watch talks, lectures, movies and documentaries during the day. At night, enjoy world-class

productions from musical theatre and cabaret to pop music, dance and fun interactive game shows. *Meals: B.L.D.*

Day 05 Antarctica

Today you will enter Antarctic waters, an unpredictable but stunningly beautiful environment that always surprises. Put on your complimentary polar parka and head to the Observation Deck to spot icebergs for the first time – it's a feeling that will stay with you forever. Watch out for whale blows in the distance and your expert polar Discovery team will be on hand to provide and answer any insightful information. Comprised of up to 20 members, this team of geologists, historians, ornithologists, marine biologists, and glaciologists is at the heart of your Antarctic Voyage. *Meals: B.L.D.*

Day 06 Antarctica

Antarctica is a birdwatcher's paradise, with more than 40 different species, so keep your eyes peeled for wandering albatrosses, which has the largest wingspan of any flying bird, as well as shearwaters, giant petrels and more.

Due to the extraordinary nature of the region, Discovery excursions throughout your Expedition Voyage are dependent on the ice and weather conditions. Your experienced Captain and specialist Polar Discovery Team, who have made countless journeys to Antarctica, will use their expertise to design your voyage from day to day, making the most of 18–20 hours of daylight.

Discovery: Daily experiences may include cruising on Zodiacs, stepping ashore to view vast penguin rookeries or historic huts, and kayaking or paddle boarding around icebergs. Wherever your voyage takes you, you will have countless "pinch me" moments. *Meals: B.L.D.*

Day 07 Antarctica

Portal Point – a former British refuge hut – may be a potential landing site during your voyage.

Discovery: Or you may visit Deception Island as part of your itinerary. Nestled in the South Shetland Islands archipelago, it is one of the only places in the world that ships can sail directly into the center of a submerged caldera of an active volcano. With her world-class design and state-of-the-art technology, Scenic Eclipse can sail through a rocky gap into the horseshoe-shaped harbour. The island is also home to a few small scientific outposts and hundreds of thousands of chinstrap penguins. *Meals: B.L.D.*

Day 08 Antarctica

Various species of penguins can be found in Antarctic and the sub-Antarctic region. Guided by the expert Polar Discovery Team, you'll witness colonies up close; hear their mighty calls

and watch as they clumsily waddle along and interact with each other. Whales are another majestic creature you may encounter. Watch them from the comfort of your ultra-luxury Discovery Yacht, in a Zodiac with an experienced Polar Discovery Team member, or from their level in a kayak or stand-up paddleboard – a breathtaking experience.

Discovery: Partake in daily Scenic Discovery excursions. Cruise on the Zodiacs around ice formations, step onto islands to view vast penguin rookeries and seals. Kayak and stand-up paddleboard around icebergs and hear the ice cracking and whales feeding below. *Meals: B.L.D.*

Be amazed at the dramatic rocky mountains and glowing blue icebergs so close to the ship.
