From wildlife adventures to majestic mountains, this East African safari is an experience to remember.

#### **DAY 1 Depart the USA**

Depart the USA on your overnight flight to Nairobi, the capital and largest city of Kenya.

#### **DAY 2 Nairobi, Kenya**

JAMBO - KARIBU!! (Welcome!) Upon arrival at the Jomo Kenyatta International Airport, you will be met by a Mayflower Cruises & Tours representative who will assist with your transfer to the hotel for overnight accommodations.

#### **DAY 3 Nairobi**

Enjoy the full day at leisure. *Meal: B*

#### **DAY 4 Nairobi – Amboseli National Park**

After breakfast, depart for the drive to Amboseli National Park. Check in to the lodge and enjoy an included lunch. This afternoon, the safari adventure begins with the first game-viewing drive to Amboseli National Park. You'll have the opportunity to see buffalo, cheetah, giraffe, baboon, gazelle, hippo and wildebeest among many other inhabitants of this national park. With over 400 species of birds, flora and fauna, it's also a bird-lover's paradise. This evening, enjoy dinner at the lodge. *Meals: B, L, D*

#### **DAY 5 Amboseli National Park**

Morning and afternoon game-viewing drives are in store for today. Amboseli National Park offers some of the most breathtaking views in Africa and is one of the best places for a photogenic view of Mount Kilimanjaro (weather permitting). Famous for its large herds of giant elephants, the park provides the classic Hollywood image of Africa. *Meals: B, L, D*

#### **DAY 6 Amboseli National Park – Tarangire National Park, Tanzania**

Enjoy an early morning breakfast before departing Kenya via the Namanga border to Tanzania. After clearing customs and immigration formalities, meet your local driver, change vehicles, and continue to the lodge for a late lunch. An exciting game-viewing drive takes place this afternoon. Herds of elephants scratch the dry bed of the Tarangire River searching for underground streams, while migratory wildebeest, zebra, buffalo, impala, gazelle, hartebeest and eland

crowd the shrinking lagoons. It's the greatest concentration of wildlife outside the Serengeti ecosystem - a smorgasbord for predators - and the one place in Tanzania where dry-country antelope, such as the stately fringe-eared oryx and peculiar long-necked gerenuk, are regularly observed. *Meals: B, L, D*

#### **DAY 7 Tarangire National Park – Ngorongoro Conservation Area**

After breakfast, depart for the Ngorongoro Conservation Area. Lunch will be provided after checking in to the lodge on the rim of Ngorongoro Crater, which has the largest unbroken caldera in the world and has been described as one of the great natural wonders of the world. Almost every species of African plains mammal lives in the crater, including the endangered black rhino. This afternoon, relax and enjoy the breathtaking views from the lodge before tonight's dinner. *Meals: B, L, D*

#### **DAY 8 Ngorongoro Conservation Area**

Today's adventure is a descent of approximately 1970 feet into the crater in the game-drive vehicles, for a full day of game viewing and a picnic lunch. A photogenic paradise, an abundance of resident wildlife freely roams the plains of the crater floor while hundreds of bird species refresh in the small lakes. Unmatched for its natural variety and breathtaking beauty, there are few places on earth where such a tremendous diversity of landscape exists in an area of this size. The crater is also of great archaeological importance with the remains of some of mankind's earliest ancestors discovered in the area. Return to your lodge in the late afternoon with time to relax before dinner. *Meals: B, L, D*

#### **DAY 9 Ngorongoro Conservation Area – Serengeti National Park**

After breakfast, depart for Serengeti National Park with a rest stop at Olduvai Gorge en-route. Continue to the lodge where lunch will be provided after checking in. This afternoon, participate in a game-viewing drive in the world-famous Serengeti National Park. Covering 5700 square miles, it is Tanzania's oldest park and one of the world's last great wildlife refuges. The Serengeti ecosystem supports the greatest remaining concentration of plains game in Africa, including more than 2,500 lions and over one million wildebeests. After the game-viewing drive, return to your Serengeti lodge for dinner. *Meals: B, L, D*

Visit a traditional Maasai manyatta

#### DAY 10 Serengeti National Park

After breakfast, depart with picnic lunch boxes for a full day of game-viewing drives on the Serengeti plains. “Serengeti” is derived from a word meaning “the place where the land runs on forever,” and the vast national park remains true to its name. Aside from being spoiled by the variety of wildlife and bird species of the Serengeti, its landscape is stunningly beautiful, especially in the early morning and late evening light. Elephant, buffalo, lion, rhino, zebra, giraffe and others may be spotted during your Serengeti adventure. *Meals: B, L, D*

#### DAY 11 Serengeti National Park – Masai Mara Game Reserve, Kenya

It’s time to leave Tanzania and return to Kenya via the Isebania border where your driver/guides will assist with the immigration procedures and transfer to Kenya vehicles / drivers. During the drive to the Masai Mara Game Reserve, a picnic lunch will take place. With rolling plains and grasslands stretching as far as the eye can see, the Masai Mara is home to the black-maned lion, Savannah (African) elephant, Cape buffalo, wildebeests, cheetah, hyena, rhino, topi, Burchelle’s zebra and Masai giraffe. Arrive at the intimate Tipilikwani Camp in the evening, check in to your accommodations and enjoy dinner. *Meals: B, L, D*

#### DAY 12 Masai Mara Game Reserve

The day begins before dawn with an amazing adventure! Your driver picks you up at the lodge and takes you to the launching site for the thrill of a lifetime...a sunrise hot-air balloon ride. Float above the game reserve and witness the animals waking up for the day from a different perspective. At the end of the flight, a champagne breakfast in the bush awaits before returning to the camp on another game drive. Relax for a bit before the afternoon game-viewing drive on the Masai Mara Reserve as you keep a lookout for the “Big Five” – lion, Savannah elephant, Cape buffalo, leopard and the black rhino. Return to the camp for dinner and overnight. *Meals: B, L, D*
