Located between the foothills of the Aberdares and the magnificent, snow-capped Mount Kenya, the Conservancy offers excellent game-viewing. Following lunch at the tent camp and time to relax, the first game-viewing drive will take place. Keep an eye out as your safari guide searches for the "Big Five" – lion, elephant, Cape buffalo, leopard and the black rhino. DAY 5 OI Pejeta Conservancy

Enjoy a full day exploring exotic Sweetwaters Sanctuary. The camp overlooks one of the busiest waterholes in the area and offers an astounding variety of animals. In addition to the big cats, there is an abundance of plains game, and you may see wild dogs and other endangered species including the Beisa oryx, Jackson's hartebeest and Grevy's zebra. Don't miss the chimpanzees! This sanctuary was established to rehabilitate these animals rescued from the black market and is the only place in Kenya to see them. **Meals: B, L, D**

Snap photos of the signage indicating the crossing and experience the effects of the magnetic fields while being at the center of the Earth! Arrive in Lake Naivasha in time for lunch before this afternoon's included boat ride. Cruise along the tranquil waters of this fresh-water lake in the heart of the Great Rift Valley. Relish in the surrounding sights and sounds of the native wildlife. Beautiful birds along the banks, in the trees, and soaring above; lazy hippos yawning as they emerge from the water; African Fish Eagles swoop down to snatch a fish from the lake for dinner...it all awaits! Check in to the lodge and enjoy a relaxing evening. **Meals: B, L, D**
