Day 02 Kobe

Arrive this morning in the harbour city of Kobe on the island of Honshu. Compact and condensed between the sea and the Rokko mountain range, Kobe has a long history of maritime trade. Yet, despite its centuries-old role as a significant port, beautiful Kobe is a modern-looking city, having been completely rebuilt following a devastating earthquake in 1995. You may choose to explore on your own to learn more about this event at the Earthquake Museum. *Meals: B. L. D.*

Day 03 Uno

This morning, you will arrive at the port of Uno, the gateway to the garden city of Okayama, the second-largest city in the Chugoku region. Choose to spend your day strolling

immaculately manicured gardens, admiring historic architecture or contemplating thought-provoking art. Okayama is home to the stunning Korakuen Garden, which was commissioned by a feudal lord in 1687 as a place to receive guests. Styled in the traditional Japanese aesthetic with elegant ponds, bridges and sculptural plants, the Korakuen is ranked as one of the top three landscaped gardens in Japan. It sits across the Asahi River from Okayama Castle; dubbed 'Crow Castle' due to its black exterior, visitors can tour the historical exhibits here and take a bizen-yaki pottery class in the castle park studio. *Meals: B. Overnight you will have arrived at Takamatsu, the capital of Kagawa. Gazing upon the Seto Inland Sea, the port of Takamatsu is the gateway to the sea's many stunning islands. From here you can travel along the longest road bridge in the world, the Seto Ohashi Bridge. Explore the ruins of the waterfront Takamatsu Castle, wander the tranquil Ritsurin Koen garden, built by feudal lords in the Edo Period, and enjoy the local specialty of 'sanuki udon' noodles, famed for its delightful texture. With an overnight stay in Takamatsu, you have ample opportunity to explore. *Meals: B. L. D.*

Pedal a portion of the spectacular, 70-kilometre Shimanami Kaido route, which traverses several bridges, including Tatara Ohashi, the second-longest cable-stayed bridge in the world. Those who prefer to remain on two feet can enjoy touring Imabari Castle, Oyamazumi Shrine, and lofty Kiro-san Observatory Park perched atop Mount Kiro.
