MAYFLOWER MAKES A DIFFERENCE

In an effort to reduce waste of single use plastic water bottles and be more environmentally conscious, Mayflower is proud to provide each traveler with a light-weight and packable reusable bottle. We have made it part of our mission to reduce our carbon footprint starting right here in our own backyard by swapping out the nearly 50,000 single use bottles we provide to travelers annually with one refillable bottle. You can expect your tour manager to provide you with a brand new bottle on the first day of your tour so you can take the opportunity throughout each day to refill and refresh yourself.

Exclusions

Mayflower Cruises & Tours reserves the right to alter its Refund and Cancellation Policy when a substantial amount of cancellation or postponement of travel is attributable to: conditions resulting from an act of God, natural or man-made disaster, fire, government action, civil disorder, war, hostilities between nations, or unavailability of transportation through no fault of Mayflower Cruises & Tours.

What is Not Included on the Tour

Excess luggage charges; items of a personal nature; meals not included on the itinerary; sightseeing attractions listed as "optional excursions;" and gratuities to the Tour Manager, motorcoach driver, van or limo driver and local guides.

Entry into Canada, Mexico and the Caribbean

A valid US passport is required for entry into Canada, Mexico and the Caribbean. No other documents will be accepted. Non US citizens must have a valid passport, visa or alien card which permits entry into these areas. In addition they will need a "multiple entry" visa for return to U.S.

Cancellation Fee Waiver (CFW) Motorcoach Tours

To protect you against cancellation fees should you have to cancel your tour or interrupt your tour en route, we have added an optional Cancellation Fee Waiver (CFW) in our deposit schedule. The CFW is non-refundable and non-transferable. The CFW cannot be transferred to another reservation, departure date or tour after booking has been made. Changing an existing booking to

another date or tour will result in losing the CFW premium paid on the original booking. If you do not wish to purchase the CFW, simply deposit the "without CFW" amount. This non-refundable fee waives all cancellation fees and penalties, provided we are notified of the cancellation one day before your tour departs. While on tour, if a passenger must leave early due to a personal illness, illness or death of a member of the immediate family or a traveling companion, the purchase of the Cancellation Fee Waiver guarantees full refund for any unused services. For motorcoach tours, return transportation will be provided (the mode of transportation will be determined at the discretion of Mayflower Cruises & Tours.) The injury or sickness must be, in the written opinion of a physician, so disabling as to cause a trip to be interrupted and must require the care and attendance by a physician at the place of occurrence.

This program has certain exclusions. Mayflower Cruises & Tours reserves the right to alter its Refund and Cancellation Policy when a substantial amount of cancellation or postponement of travel is attributable to: conditions resulting from an act of God, natural or man-made disaster, fire, government action, civil disorder, war, hostilities between nations, or unavailability of transportation through no fault of Mayflower Cruises & Tours.

Cancellation Fee Waiver (CFW) is not an insurance. It is a self-funded refund and waiver program for cancellations and early departures from tour programs, and contains various exclusions. If actual insurance coverage is desired for occurrences such as travel delay; lost, stolen or damaged luggage; medical and emergency medical transportation; supplier default; or related services, then it is strongly recommended that a traveler contact a travel insurance company. It is also recommended if a traveler desires a trip cancellation refund program not funded by Mayflower Cruises & Tours, that a travel insurance company be contacted. One firm offering some or all of these services is Trip Assure Travel Insurance Plan (1-800-423-3632).

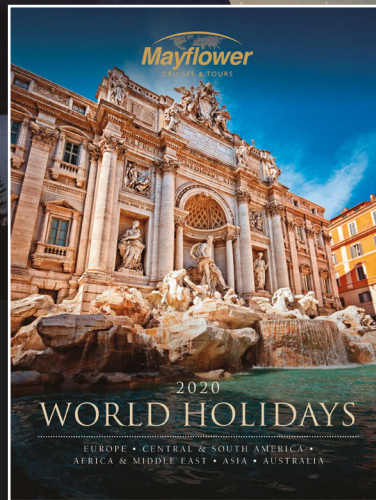

Mayflower Cruises & Tours is a proud member of Tourism Cares, a non-profit foundation that preserves historical sites and supports education that helps the future of travel and tourism.
